

## Youth Day Information

### REFLECTION ON THE YOUTH DAY THEME

*“If today you hear God’s voice,  
harden not your hearts.” – Psalm 95*

Our theme for Youth Day 2008 is **“ABOUT FACE! Focused on God!”** This challenging theme comes from the readings of our day and encourages us to continually “turn our face to God” – in our words, our actions and all our decisions. It reminds us that God is constant in our lives – and we make the choice to remain facing God or to turn away. Our theme also emphasizes the fact that we can always make an “about face” and return to our loving Creator – even when we have chosen to move away. The invitation to remain in God’s love never disappears and this gives us strength to persevere even when we seem consumed by darkness. Our first reading from Youth Day proclaims, “Listen to my voice; then I will be your God and you shall be my people!” Youth Day is an opportunity for young people to hear God’s voice, to share in the joy of the larger church community, and to be renewed in their commitment to being God’s face for others. The young church of Youth Day 2008 definitely hears the voice of God and they choose to “harden not their hearts.”

The readings of the day for Youth Day 2008 are:  
Jeremiah 7:23-28  
Psalm 95:1-2, 6-7, 8-9  
Luke 11:14-23

### FROM THE COORDINATOR

Dear Friends,

Once again it is my pleasure to invite you to be part of our annual Spirit-filled Youth Day! This exciting event welcomes over 14,000 high school students and their chaperones each

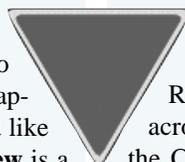

year to the Anaheim Convention Center for a day full of energy, friendship, music, Eucharistic celebrations, catechesis and much more. It serves as an incredible opportunity for young people to experience the love of God within a larger church community and to be enriched in their journey of faith. Because of the great work you do, along with other coordinators, Youth Day continues to grow and bless the lives of many people. Thank you for your dedication and en-

thusiasm. The Youth Day Coordinating Team is busy creating a day that will enhance the wonderful ministry of your parish or school. We look forward to celebrating God’s love with you and your young people at Youth Day 2008! See you in Anaheim!

Mike Norman  
Associate Director

### A SPECIAL INVITATION FOR ADULTS

The Youth Day Coordinating Team would like to offer a special opportunity to any adult who is not chaperoning a group from a parish or school and would like to be part of our day. The Youth Day **Moving Crew** is a group of youth-friendly adults who join us and help guide groups with information and instructions throughout the day. To be part of the Moving Crew, an adult needs to have been fingerprinted by the Los Angeles Archdiocese and have taken part in a Protecting God’s Children adult training session (upcoming opportunities for these are available). To get more information about joining Youth Day’s Moving Crew, please visit [www.RECongress.org/YD](http://www.RECongress.org/YD) or contact Mike Norman at [mnorman@la-archdiocese.org](mailto:mnorman@la-archdiocese.org) or (213) 637-7674.

### SOMETHING NEW FOR YOUTH DAY

In an effort to enhance the work of the Office of Religious Education in developing youth leaders across the archdiocese and to support the outreach of the Catholic Youth Foundation USA, there will be a collection during liturgies this year at Youth Day. Catholic Youth Foundation USA serves the National Federation for Catholic Youth Ministry by providing financial resources at the local, diocesan, regional and national levels to promote effective and innovative ministry with adolescents in order to assure a faithful future. We ask that you share this information with young people and adults coming to Youth Day and emphasize how their contribution can continue the formation and education of others. Thank you in advance for your support!

**YOUTH DAY REGISTRATION:**

All high school students (9th-12th grades ONLY) are invited to register for Youth Day. Students must register with an adult Chaperone who will be attending with them. Two adult Chaperones must accompany the first group of 1-10 youth and then one adult with each additional group of 10 youth. Chaperones must stay with their group throughout the entire day. Each group chooses which workshops they would like to attend. Make a first, second and third choice from the following 13 workshops. Please note that there are two workshops (clearly marked in bold) that take place in the Arena and are not repeated. All other workshops are offered twice – once in the morning and once in the afternoon. We try to accommodate first choices for workshops, but sometimes they fill up and we must move you to your second or third choice.

**NOTE: YOUTH DAY OFTEN FILLS UP BEFORE THE JANUARY FEE INCREASE!** There is a limit to the number of people we can register. If Youth Day fills to capacity before the February 1, 2008 deadline, we will close the day and return your registration. Please try to register as soon as possible. There are no exceptions.

**A FAMILY LAUGHS!**

Join Catholic comedian and character-actor Doug Brummel as he transforms himself into some “never-to-be-forgotten” characters that help us treasure the gift of faith and family life! **WARNING:** This workshop may induce laughter, joy and gratitude! Expect the unexpected! **(Afternoon Arena session only.)**

**Doug Brummel**

*Doug Brummel is a nationally known Catholic comedic character-actor and storyteller. Since 1992, his “Lighten Up!” whole-community celebrations have been welcomed in over 700 church communities at parish family missions, renewals and retreats. He has performed in nearly every state in the country at theater events and keynote presentations at regional and national conferences. Brummel is also author of two children books series on the Sacraments.*

**B ROMANCE WITHOUT REGRET**

Some think that “chastity” simply means “not having sex.” But that’s mere abstinence. Chastity is more than that, it’s about what you can do and have right now: a chaste lifestyle that brings freedom, respect, peace and romance without regret. In an age when the media tell young people that they cannot – and need not – control themselves sexually, Crystalina and Jason Evert’s message to students is challenging, entertaining, encouraging and healing. Get the healthy and correct Catholic male and female perspectives on living chastely as you listen to their life-changing message.

**Crystalina & Jason Evert**

*Crystalina and Jason Evert are full-time apologists with Catholic Answers, a lay-run apostolate for which they have written books and work with its web site. After a year of speaking as an engaged couple, Crystalina and Jason married in June of 2003 and continue to share their inspirational testimonies with hundreds of thousands of teens and parents, providing compelling and uplifting reasons for embracing the virtue of chastity.*

## C WHAT DO YOU KNOW? LIVING OUT WHAT THE BIBLE REALLY SAYS

The Bible is not a “nice book.” Anyone who thinks that it is obviously hasn’t read it. Do you find yourself spending more time debating Scripture and faith and less time understanding it? Well it’s time to go beyond the confusing details and random names and just get down to the truth. It’s time to discover what God is really saying and how he is putting his Word into motion in your lives. It’s time to stop reading the Bible as fiction-filled entertainment value and, instead, learn about how God thinks and works, through his Word.

**Mark Hart**

Affectionately known as the “Bible Geek,” Mark Hart serves as Executive Vice President for Life Teen International. A graduate from the University of Notre Dame, Hart is a popular speaker, award-winning author and weekly regular on Catholic radio programs. His 2006 book, “Blessed are the Bored in Spirit,” found its way onto the Catholic best-seller list, and he has created an interactive DVD Bible Study series, “T3,” and weekly Life Teen podcasts. Hart currently lives in Phoenix.

### My first experience of Congress...

My brother Joel and his friend invited me to Congress 2006, but at the last minute I decided not to go. This year I didn’t feel like going either because I thought it was going to be another “boring convention,” but we ended up going. The sessions and the speakers were great! My boyfriend and I really learned a lot! We were so excited that we even bought books and a lot of CDs so we could listen to the talks again! After Congress we returned home feeling great and told all of our friends about it. We decided to make it a new tradition to attend every year from now on!

## D TAKE A STAND, MAKE A DIFFERENCE

Are you wondering how to take a stand against the injustices going on today? In this workshop we will examine real issues, explore what people are saying about them, what our church teaches, and learn how to take a stand! Join us as we make our faith real in the world!

**Sean Lansing**

Sean Lansing is a Project Coordinator for Youth Ministry Services at the Center for Ministry Development in Milwaukee. Previously, he was a parish youth minister for Milwaukee’s Central City Catholic Parishes. Lansing is author of the “Call to Faith” Session Leader’s Guide and was a contributing author of “Total Youth Ministry Resources for Justice and Service.” He also writes for the Web-based youth ministry resource, Youth Ministry Access.

## E CELEBRATING LITURGY! REAL POWER

How might we more fully, consciously and passionately participate in the celebration of the Paschal Mystery? How does the Real Presence of Christ inspire and ignite our presence and participation in the life of Christ and the mission of the church? Celebrating liturgy is the real power of love. (Morning Arena session only.)

**Jesse Manibusan**

Storyteller, speaker, composer and singer, Jesse Manibusan is Director of Two by Two Ministries. With experience as music minister, catechist and youth worker, he travels throughout the United States, Canada and beyond, appearing at the L.A. Congress, the National Catholic Youth Conference, the National Conference of Catholic Youth Ministers, and several other major events. Manibusan has also recorded several CDs.

## H DON'T JUDGE

Let's face it, being Catholic is hard enough, but throw into the mix being nice to others and treating them the way Jesus calls us to ... well, that's just down right hard. Can it be done? Can a mere mortal really love their neighbor ALL the time? This workshop will make you laugh and think at the same time. So be warned: Don't judge!

**Judy McDonald**

*Judy McDonald has been a natural comedian all her life. Previously a Youth Minister and Campus Minister in San Diego, she has been performing stand-up for 13 years. Her professional comedic experience includes an appearance on the Dennis Miller Show and opening for comedians Paula Poundstone, Mark Curry and Dat Phan. ## K YOU WANT ME TO DO WHAT?!

What do you want to be when you grow up? Join Shannon and Orin of Oddwalk as they help you explore what it means to have a vocation in the church – both the vocation you have right now and what God may call you to in the future. Fun music, humorous storytelling and heartfelt prayer will guide our way as we explore our purpose in God's Reign.

**Oddwalk**

*Orin Johnson and Shannon Cerneka officially founded Oddwalk Ministries in 2004 after many years of a more informal existence. Oddwalk has performed its fun, upbeat and interactive music and witnessing in*

*front of thousands in such venues as National Catholic Youth Conference comedy clubs, World Youth Day catechetical sessions and several diocesan youth rallies and conferences. Oddwalk has also performed in parish settings, helped lead retreats and prayer services, and has made countless other appearances.*

## L MOSES, MARY AND YOU?

God has called on some unlikely individuals to lead his church: Moses, Mary and, yes, even you! Being a Christian leader involves more than a youth group T-shirt, it involves action and sacrifice. Allow Jason Pastore to reveal how boldness, burdens and perseverance help build a strong Christian leader.

**Jason Pastore**

*Jason Pastore has been involved with Life Teen for years, beginning as a teen, then as a Core Member and a youth minister. He now serves the church by working for Life Teen International as their Western Regional Director, and has spoken at various Life Teen events, diocesan and archdiocesan events. He formerly served as Youth Minister at St. Timothy's and Christ the King in Mesa, Ariz.*

## M I LOVE THIS GAME!! (FOR ATHLETES)

The agony of defeat and the thrill of victory. The hours of practice and training. Striving for a championship. Teamwork. Discipline. Game plans. Coaches. Opponents. What does Jesus have to say to do with any of it? Dare to find out ... calling all those willing to go the extra mile.

**Mike Patin**

Patin continues to lead youth and adult retreats, parish missions and leadership institutes.*

## P FOLLOWING JESUS JUST MIGHT RUIN YOUR LIFE

Jesus' call to die to self and follow him is the most challenging thing you can ever do with your life. If it doesn't seem hard, then you might not be following Christ as fully as he asks. We will be exploring the story of the rich young man in Mark Chapter 10.

**Righteous B**

*"Rapologist" Righteous B, a.k.a. Bob Lesnefsky, is really, really holy. He has worked as a youth minister for seven years and is currently recording music, performing and speaking nationally at parishes and conferences. Righteous B is committed to performing a portion of his concerts free for prisons and inner-city churches, and a portion of all bookings and sales go to fund inner-city churches and develop effective programming to reach urban youth.*

## S PRAYING WITH YOUR IPOD/HEADPHONES

Imagine putting on your headphones and having a great conversation with God! Songs speak about life and relationships. Living as a person of faith calls us to enter into honorable relationships. Jesus invites us to make a difference in the world. Learn how your music can help you grow spiritually.

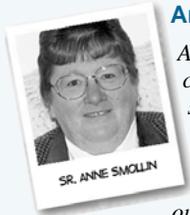

**Anna Scally**

*Anna Scally, President of Cornerstone Media, is a columnist for their Top Music Countdown online resource and host of their audio show, "Burning Issues." ## X BEING CATHOLIC AND HAVING A SENSE OF HUMOR

We look serious. Our faces are tense and our eyes stare ahead blankly. Yet we are supposed to be Resurrection People! We are called to be people of joy. And if we believed that and lived it, we would be bearers of the Gospel message to whom we come in contact. Living each graced moment with the awareness that it contains all we need to be whole/holy and alive people. We will look for ways to be present to that moment and find the joy and humor that gives us the ability to see life, seize it, celebrate it and, in turn, tickle our hearts and souls.

**Anne Bryan Smollin, CSJ, PhD**

*A Sister of St. Joseph, Anne Smollin is a licensed counselor and group facilitator, lecturer and consultant to businesses and religious communities. She is currently Executive Director of Counseling for Laity, based in Albany, N.Y. The former elementary teacher lectures extensively throughout the United States and Alaska, Ireland and Australia speaking to religious communities and at conventions and businesses. Sr. Smollin has authored four books.*

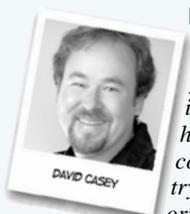

## Z CALL IT OUT THEN CLIMB IN A CAVE

When the Lord called the Disciples (Mark 3:13-14), he asked for three things: That they might be with him; that he might send them out to preach; and that they might have authority to cast out demons! Holy cow, bet you didn't think you had it in you! This workshop on Catholic identity will lay out the clear call from our Lord to be his servants. Through a brief walk with the prophet Elijah, we will begin to explore the dynamic modern role for today's Catholic believer. At the heart of it all is the willingness to profess and to pray.

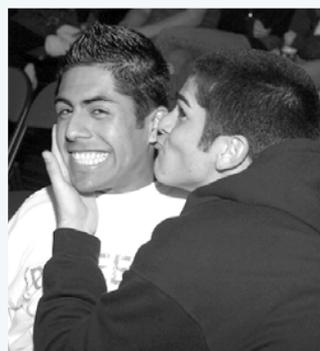

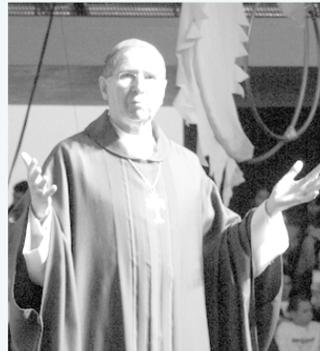

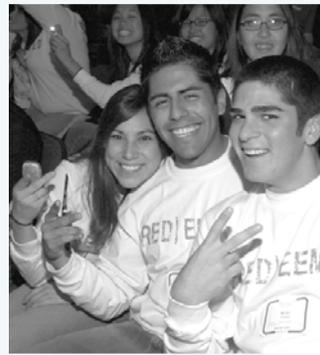

**Doug Tooke**

*With a treasure of experience in parish and diocesan youth ministry throughout the nation, Doug Tooke has taken traditional methods to new and inventive levels. ## WHO MAY ATTEND?

All students from public and Catholic high schools, grades 9 through 12, are invited to our annual YOUTH DAY on Thursday of the Congress weekend. STUDENTS BELOW THE 9th GRADE ARE NOT ALLOWED TO PARTICIPATE IN THIS EVENT AND WILL BE REFUSED ADMISSION.

## WHAT IS THE COST?

Registration to attend Youth Day is \$20 per person. After fees increase January 5, 2008, the price is \$25 per person.

## CHAPERONES & CONTACT PERSON

For each group of up to 10 students there must be one Adult Chaperone. However, there must be two Chaperones listed in your first group registration. Groups must stay together throughout the day, all attending the same workshops. Students are not to be dropped off at the Convention Center without a Chaperone.

The **Adult Chaperone** should be at least 21 years of age and must stay with and supervise his or her group throughout all of Youth Day. Chaperones should participate in the events of the day – youth find it more difficult to participate if the adults are off to the side. Understanding that it is often difficult to sit together as a large group, we ask that Chaperones divide up and stay with those they brought.

The **Contact Person** is responsible for providing the Adult Chaperone with all the necessary forms and emergency information for each student in the group. All Youth Day tickets will be mailed to the Contact Person. The Contact Person may also be one of the group Chaperones or registrants.

It is the responsibility of the **Contact Person** to make sure that ALL Chaperones have been trained in accordance with their Diocesan Youth Protection Program and the appropriate diocesan required background check has been completed. Please contact your Diocesan Youth Ministry Team for fulfilling this requirement.

## HOW DO WE REGISTER?

Registrations can be made by mailing in the Youth Day Registration Form along with a check for the proper amount. A maximum of 10 students and one Chaperone can register per form. There must be two Chaperones listed in your first group registration.

## REGISTRATION DEADLINE

We recommend that you register early. Once Youth Day fills to capacity it is CLOSED to further registrations. This sometimes happens BEFORE THE REGISTRATION FEE INCREASE ON JANUARY 5, 2008. If we receive your registration after Youth Day has closed, it will be returned to you. SORRY, THERE ARE NO EXCEPTIONS TO THIS GUIDELINE.

## TICKETS AND NAME TAGS

Each ticket must be issued to a specific person. Registrations will NOT be processed if only one person's name is used in all the spaces on the form. In order to gain admission into the Convention Center, each person must have tickets and be wearing the official Youth Day name tag. If needed, you may substitute names. We will not be able to print out new name tags or workshop tickets.

Due to the large number of people who attend and unpredictable weather, we strongly encourage that **tickets and name tags be passed out before you leave your parish or school or before leaving the**

**bus.** Those who become separated from their group are not allowed entry to workshops or the Arena. Your help in this matter would be greatly appreciated.

Tickets will be mailed after **January 31, 2008**, to the Contact Person. Please check your packet to verify that each Chaperone and each student has his or her own tickets.
