Young Adults Celebrate Religious Education Congress 2009

The Los Angeles Archdiocesan Synod has called upon us to empower young adult ministry in our pastoral regions and our parishes.

The Religious Education Congress is an excellent opportunity for young adults to be energized in their spiritual life and in their ministry.

We invite young adults to come share in the prayer, music, gatherings and joy of Congress from the variety of opportunities to celebrate.

More information is available on pages 22-23 of the Congress Registration Guidebook or visit www.RECongress.org.

For more information about the Young Adult Ministry and activities that are planned for the coming year, visit the Young Adult table in the Office of Religious Education booth in the Congress Exhibit Hall or visit www.archdiocese.la/mya.
