with **MIKE PATIN**

We are proud to bring back, by popular demand, the day-long retreat at our Religious Education Congress for the Youth Ministry community of the Archdiocese and beyond. And because he was so well received we have begged, cajoled, and bribed Mike Patin to again come spend a day with us to lead us into a deeper awareness of ministry and relationship with our God. Mike gives the following description for the day, "People. Needs. Meetings. Deadlines. Calls. Texts. Family & Friends . . . Oh yeah, and my friendship with God. This day will be a chance to slow down for a few hours and allow our souls to catch up to our bodies." This retreat will not be advertised in the Religious Education Registration Guidebook. Choose your workshops for Friday like you do normally and then send us the attached registration form. We'll make sure you are part of the retreat for that day. Lunch is included.
