- Suffering induces us to build interdependent societies for the common good.
- Suffering induces us to build communities of Faith.
- *\*\*Suffering can be offered up to bring God's Grace to all who are in need.*
- *Therefore, suffering frees us for deeper faith, love, and meaning in life—and helps us toward salvation.*

## V. FOLLOWING THE HOLY SPIRIT WHEN SUFFERING

- When one door slams—the Holy Spirit opens another one, or two...
- When new opportunities arrive, they frequently are accompanied by a sense of desirability, fascination, energy, and even enchantment- inviting us toward them.
- Is this new opportunity consistent with my family and work obligations?
- If so, start acting on the new opportunity
- Test the opportunity through Ignatian Discernment- increase or decrease in trust, hope and love.

## VI. WHY DOES GOD ALLOW SUFFERING – CAUSED BY HUMAN BEINGS

1. If humans cannot choose “unlove” then they can’t choose love.  
NO FREEDOM – no self-initiated love.
1. God made us in His image – not content to create mere robots.

## VI. CONTINUED WHY DID GOD CREATE AN IMPERFECT WORLD?

1. Imperfect world gives rise to challenge, vulnerability, and opportunity to contribute. If the world were perfect, then there would be no challenge, vulnerability, or opportunity to contribute.
2. If there were no challenge, vulnerability, and opportunity to contribute, there would be no *necessity to choose* courage, compassion, self-sacrifice for the noble, contributive love, and common cause with others for these objectives.

## WHY DID GOD CREATE AN IMPERFECT WORLD? (CONTINUED)

3. If perfect world – then we can’t leave a legacy in this world or for the Kingdom.
4. St. Paul 2 Corinthians 12 – suffering breaks the spell of superficiality, pride, and ego-centricity.
